

Biography

Ayeen Karunungan (Renee Juliene M. Karunungan), joven Comunicadora, Climate Tracker (Filipinas)

Ayeen is a climate campaigner, communications specialist, and freelance journalist utilizing the power of media to inspire change. She has led climate justice campaigns in the Philippines, has published in different local and international media, and trains Climate Tracker's network of young journalists all over the world on climate change reporting. In 2015, Renee was named by The Guardian as one of the "Young climate campaigners to watch before the UN's Paris Summit."
